

P-Series Platters

Features:

- Built-in failsafe devices for brain wrap protection
- Automatic sensors protect from pulling/resistance
- Simple threading pattern for easy set-up/operation
- Modular design eliminates additional spare parts
- Low-profile design occupies less space
- Demand only system; no switches
- Tested & approved to UL standards
- Backed by BIG SKY's One Year Warranty

Benefits:

- Highest feature-for-feature value in a three deck system
- Fewer spare parts means lower cost
- Low-profile, no switch and easy threading pattern allow anyone to operate
- Sensors offer failsafe protection; fewer problems
